#PassOnYourPassion

Hi there! You have been nominated because someone thinks you would make a great coach!

We love that your passion for your sport can inspire others to get involved, and make sure that they get the best experience.

Could you be the sort of coach that makes a difference?

Did you know: Only 30% of coaches in the UK are female?

We asked people to **#PassonYourPassion** to someone who could make a great coach!

Are you ready to take the next step and help out with the warm up, or guide some of the beginners?

How?

1. Register yorkshiresport.org/passion

We will email you information and guidance - you can also get in touch directly and we will help all we can!

2. Share your story on social media [@YorkshireSport](https://twitter.com/YorkshireSport) [#PassOnYourPassion](https://twitter.com/PassOnYourPassion)

Looking forward to hearing from you! Nigel Harrison, CEO
