WEEK SEVEN AND EIGHT GUIDANCE

Congratulations to everyone who has taken part in the 'Hit the Ground Running Challenge' so far in association with [Totally Runable!](#)

INTRODUCING OUR EXCITING CHRISTMAS BADGE CHALLENGE!

We are really excited to announce that for the last two weeks of Hit the Ground Running we will be doing a 'Hit the Ground Running – Christmas Badge Challenge' between **Monday 29 November and Friday 10 December**. We will be announcing further details nearer to the time however some basic details are below:

- We will release a number of badges with allocated distances (e.g Elf Badge and North Pole Badge) that bubbles can aim to achieve between 29 November and 10 December.
- If a bubble has achieved their target badge distance, a printable certificate will be awarded to each child.
- There will also be a social media photography competition for the best Christmas themed outfits!

Keep an eye out for more details to be announced in the coming weeks!

In the meantime, we are keeping the weekly challenges very simple between now and then. It will simply be recording your bubbles miles each week then submitting your form. We will be publishing the usual weekly leaderboards too!

Please see the details for week seven and eight on the next page.

WEEK SEVEN AND EIGHT

Week seven: Monday 15 November – Friday 19 November

Week eight: Monday 22 November – Friday 26 November

We are keeping these weeks very simple (much like the first couple of weeks of the challenge). Simply record the number of miles done by the children and how many have taken part.

SCORING

- Simply record the miles done in school (running, walking or using a mobility aid for SEND participants) by each child and submit the bubbles total mileage via the information below. Miles done by participants out of school cannot be counted.
- The leaderboard will be calculated by averaging the bubbles total miles by number of children.

SUBMITTING YOUR SCORES

Please use the forms linked below to enter your bubbles total miles for the weeks along with the number of children in the class.

[Week seven submission form - click here.](#) Deadline for entries: 4pm on Tuesday 23 November

[Week eight submission form - click here.](#) Deadline for entries: 4pm on Tuesday 30 November.

Results for each week will be announced by the following Wednesday on our [website](#).

INCLUSIVITY

We encourage all children to take part in these activities including SEND participants and those who use mobility aids. All children are welcome to record and submit their miles.

SCHOOL GAMES VALUES

This challenge focusses a number of the School Games Values. See below the specific School Games Values for these weeks' challenges.

Teamwork

Due to the scoring system of the challenges, bubbles are encouraged to work as a team to ensure their average mileage is as good as possible. Therefore, children can encourage each other to take part to contribute to the total bubble mileage.

Honesty

As in any virtual competition, honesty is everything! Please encourage participants to be as honest as they can through this competition, we're sure they will be!

ENJOY!

We hope you enjoy these challenges! If you require any extra assistance or have any questions, please don't hesitate to get in touch via the contact details below:
