Who we are

We are a National Lottery funded charity working predominantly across the nine districts of South Yorkshire and West Yorkshire, and part of a network of England-wide Active Partnerships.

We believe in the power of movement, physical activity and sport to improve lives, and are passionate about enabling everyone to enjoy the benefits of an active life.

We are stronger when we move together. This is why our work fully supports the aims and common purpose of Sport England's 2021-2031 **Uniting the Movement** vision by connecting, influencing and supporting the people and places across our regions. We are committed to playing our part.

We best describe our role in three ways

Connect

bringing people, ideas, agendas, projects and expertise together.

Influence

shifting thinking, policy and decision making.

Support

providing backing, funding, guidance and resources to and on behalf of our partners.
