CHRISTMAS BADGE CHALLENGE GUIDANCE

INTRODUCING OUR EXCITING CHRISTMAS BADGE CHALLENGE!

We are really excited to announce that for the last two weeks of Hit the Ground Running (week nine and ten) we will be doing a **'Hit the Ground Running – Christmas Badge Challenge'** between **Monday 29 November and Friday 10 December**.

HOW TO TAKE PART

As a bubble or class, you can simply choose which Christmas Badge you will be aiming for in the two weeks and aim to hit that distance. If you achieve your badge, you will be sent a certificate to print off to give to every child that has taken part! Simply follow the simple steps below:

1. Register your bubble and tell us which badge your bubble is aiming for by [clicking here](#). Please see below for the badges and their distances.
2. Record the miles your bubble does in school from Monday 29 November and Friday 10 December.
3. Submit your miles to us by 5pm on Tuesday 14 December (whether or not you achieved your target)! [Please click here to do this](#).
4. We will send out certificates to all bubbles who achieved their badge and also publish a leaderboard from the two weeks including average mileage and total mileage.

Elf Badge

Reindeer Badge

Christmas Tree Badge

Santa Badge

North Pole Badge

INCLUSIVITY

We encourage all children to take part in these activities including SEND participants and those who use mobility aids. All children are welcome to record and submit their miles.

THANK YOU TO EVERYONE WHO CAN SUPPORTED THIS CHALLENGE

I just wanted to say a big thank you from all the team involved in the West Yorkshire and South Yorkshire School Games for taking part in this challenge. Whether that was for just one week or every week. We really hope you have enjoyed it.

We would love to hear how your school has found this challenge and what impact it may have had on your young people. Please use the contact details below to let me know if you would like to share your story with us! We'd love to hear from you!
